♩=97      Brightly

I love Earth, for in its grand de - sign I see love of God and works di - vine.  
Sprouts rise from the ground to reach sun's light. I seek God and grow with - in His sight.  
Earth shares beau - ty, veg - e ta - tion bright, Giv - ing life to all with great de - light.

Flow - ers grow from the Cre - a - tor's touch, And He can help me flour-ish just as much.  
When I stand where love of God can dwell, I feel His warmth and glo - ry in me swell.  
As I mag - ni - fy God's light in me, I share His love and nour-ish those I see.
