1. The Book of Mor - mon guides me to Christ. Through pro - phets of old, I can know what is right. Their

lives and their teach - ings, their strength and their might lead me to Je - sus, fill\_ me with light. I will

walk on the path, I will hold to the rod, I will eat of the fruit, and I will show love to God. He will

make my path clear, He will show me the way, He will o - pen my heart, and I'll know what to say.
