The words of grace by pro - phets told And sac - red coun-sels from a - bove. \_

Their fath - ers' prec-ious lib - er - ty They weighed a - bove their mor - tal \_ life.  
We wield the Ho - ly Spi-rit's sword And bear the shield of stead - fast \_ faith.

In pow'r they met their en - e - my, Pre - served by God thru - out the strife.  
We place our trust in Christ the Lord And bat - tle suff'-ring, fear, and hate.

Their faith in Christ would bear them thru. They did not doubt their mo - thers knew.  
With hearts a - light from Hea-ven's glow, We do not doubt our mo - thers know.
