1. To - day is the first day of the rest of my life;  
2. To - day is the first day of the rest of my life;  
3. To - day is the first day of the rest of my life;

A time to seek wis - dom and to pray; \_\_\_\_\_  
A new day for serv - ing Je - sus Christ. \_\_\_\_\_  
A time to give all my sins a - way. \_\_\_\_\_

To hold to the rod that leads me to my God  
A time to re - flect; com - mit - ments to re - new;  
A chance to re - pent, to change and re - ar - range

With both feet up - on the strait and nar - row way. \_\_\_\_\_  
And pre - pare my soul by do - ing all that's right. \_\_\_\_\_  
'Til to - mor - row dawns - a brand new first \_\_\_\_\_ day! \_\_\_\_\_
