Thoughtfully ♩ = 48

Lyrics by Barry Collyer
Music by Andrew Moore

1. I won - der why He died for me, Can I be worth that much?
2. If on - ly I could re - al - ise What He must think of me,

I know I'm but a lit - tle child And oft - en act as such.
I'd try to change the way I think, And act so diff - 'rent - ly.

Is there some - thing I do not know Which jus - ti - fies my worth
He taught me how to be like Him By hold - ing to the rod,

And makes me ver - y spe - cial while I am liv - ing here on earth.
He showed me what I'm real - ly worth For, I am a child of God.
