Lyrics by Emily Middleton Doegey

Music by Andrew Moore

Boldly ♩ = 104

1. We're saints of Zi - on in lat - ter days, The gos - pel is re - stored.  
2. We're sol - diers march - ing forth for Christ To fight the tempt - er's hand,  
3. That glo - rious day when Christ will come To cleanse the world of sin,

As sons and daugh - ters of a King, Our trum - pets sound with joy.  
And with our Lord in vic - to - ry, For - ev - er we will stand.  
The stakes of Zi - on will ref - uge bring, Her chil - dren gath - er in.

The an - gels with their voic - es raised Now sing with one ac - cord,  
We'll rise as one with strength and might To la - bor in His name,  
Then all the last will be made first, The lost of Is - rael found,

"His king - dom will in glo - ry reign, Let eve - ry land re - joice".  
And car - ry forth the gos - pel's light That man - kind may be saved.  
And heav - nly hosts will fill the earth, Our Lord for - ev - er crowned.
