shelter or help is nigh. waken and save, I pray!

Oh, how canst thou lie sweep o'er my sinking soul, I perish! dear Master.

A grave in the angry deep, a moment so madly is threatening. A grave in the angry deep, a moment so madly is threatening. A grave in the angry deep, a moment so madly is threatening. A grave in the angry deep, a moment so madly is threatening.

The winds and the waves shall obey thy will:

Oh, how canst thou lie sweep o'er my sinking soul, I perish! dear Master.

T1, T2, B1: Car-est thou not that we perish? Tor-rents of sin and of anguish.

When each moment

Whether the very-storm, the tempestuous sea

Or direful demons or men or whatever it be,

No waters can swallow the ship where lies The

Master of ocean and earth and skies. They all shall sweetly obey thy will:

They all shall sweetly obey thy will:

Peace, be still; peace, be still. They all shall sweetly obey thy will:

Peace, be still; peace, be still. They all shall sweetly obey thy will:

Peace, peace, be still; peace, be still, be still. (be still.) a tempo, getting faster

Peace, peace, be still; peace, be still, be still. (be still.) a tempo, getting faster

Peace, peace, be still; peace, be still, be still. (be still.) a tempo, getting faster
still, be still.

heaven's within my breast. my breast. Linger, O blessed Redeemer!

no more, no more, no more, And with joy I shall make the blest harbor And

Leave me alone no more.

rest on the blissful shore. The winds and the waves shall obey thy will:
Peace, be still, peace, be still. T2 has melody

Peace, be still, peace, be still.

Whether the wrath of the storm-tossed sea or demons or men or whatever it be, No waters can swallow the ship where lies The Master of ocean and earth and skies! They all shall sweetly obey thy will:

Peace, be still; peace, be still. They all shall sweetly obey thy will:
